travel **QUESTIONS**

1. What's your favorite form of transportation and why?

2. If you could travel anywhere right now, where would you go?

3. If you invented your own form of transportation, what would it be and what would you name it?

4. What's the best trip you've ever been?

5. Why do you like traveling?

Dear Parent,

Thank you for downloading this activity booklet for kids. I appreciate your support. I like creating these types of products and provide them at no cost. I just ask that you use these for personal use only. If you think you know someone who might like it, please encourage them to go to my website: KidsTravelBooks.com and download their own copy.
