## Yesterday

### This is what we did yesterday

Reflect on your trip by asking yourself details about yesterday. This is great for many reasons, but especially to help reinforce and remember your trip.

What was the date yesterday?

Where was I yesterday?

What did I eat for breakfast yesterday?

What was the coolest thing I saw yesterday?

What was my favorite part of the day yesterday?

What do I want to try again sometime?

What time did I eat dinner last night?

What time did I fall asleep?
